- **Built 4 Comfort** - The only date we can do this side of Christmas is Saturday, 14th November. We have had a price from a professional sound engineer to do sound and lighting; the price comes with an engineer on the night. £700
For us and Steve Edwards its £1500

- **House Man Band** - Our usual price is £125 per 45. We usually get asked to play 2 x 45-minute sets for £250
We have good availability this year in November every weekend except the 1st. In December, we're busy on the 12th. January and February next year are currently fine, but we are talking about gigs with other venues.
We are a 3-piece band: guitar, bass, drums and vocals. Do you have a PA for the venue?
