Subject: Re: rpii inspection course

Hi Paul

We would be pleased to run the two-day RoSPA Operational Playground Inspection Course on your premises in Welshpool. .
https://www.rospaplaysafety.co.uk/training/operational-playground-inspection-course-two-day/

Your venue must have a room where we can show a PowerPoint presentation (the trainer will have a projector and screen if there is no available). There should be two play areas local to your venue which can be visited for the practical session and exam. The play areas should have slide, swing, climb, rock and rotate items of play equipment.

Everyone completing a RoSPA Play Safety training course receives a RoSPA Certificate of Training and those people taking and passing the RPII exam also receive a RPII Certificate of Competence indicating they have met the industry standard and requirements for inspecting a children's playground. Certificates are valid for three years.

The costs are as below. We charge a set fee for a group of up to 6 people. Fewer than 6 can attend, however the fee is the same.

Set Course fee for up to 6 delegates (includes trainer's expenses)
£2235 less client discount £230 =
£2005 plus VAT

Full RPII exam
£300 per person (no VAT) – Paul and Phil

Renewal RPII exam
£210 per person (no VAT) - Adam

Total cost for 3 delegates, 2 x full exams and 1 x renewal exam is £2815.00 plus VAT

If you wish to book 5th & 6th January please let me know quickly as another client is also interested in these dates. Dates are reserved on a 'first come' basis.

Regards
