

The dimensions in this drawing are believed to be accurate at the scale identified below to a reasonable tolerance, unless stated otherwise, providing the drawing has been reproduced using a computer-aided design system and the original and subsequent reproductions must not be scaled.

The Principal Contractor is to verify all dimensions, levels and datums prior to commencement of work. The Contractor should not rely upon scaled dimensions. No liability will be made for non-compliance with this advice.

Any discrepancies are to be reported immediately to the Contract Administrator.

Violations and modifications to the work shown on this drawing may be made at any time without the express consent of the Contract Administrator.

This drawing is the property of The National Trust, and must not be copied or reproduced, in whole or in part, except with their express permission nor may it be used for any other purpose without their prior written consent to any third party.

The dimensions in this drawing are believed to be accurate at the scale identified below to a reasonable tolerance, unless stated otherwise, providing the drawing has been reproduced using a standard method of reproduction. Subsequent reproductions must not be scaled.

The Principal Contractor is to verify all dimensions, levels and datums prior to commencement of work. The Contractor should not rely upon scaled dimensions for construction. Any variations made for non-compliance with this advice.

Any discrepancies are to be reported immediately to the Contract Administrator.

Variations and modifications to the work shown on this drawing shall be made only in accordance with the express consent of the Contract Administrator.

This drawing is the property of The National Trust and must not be copied or reproduced, in whole or in part, except with their express permission nor may it be used in any way without their prior written consent to any third party.

The dimensions in this drawing are believed to be accurate at the scale identified below to a reasonable tolerance, unless stated otherwise, providing the drawing has been reproduced using a correctly calibrated plotting device. Photocopies and subsequent reproductions must not be scaled.

The Principal Contractor is to verify all dimensions, levels and datums prior to commencement of work. The Contractor should not rely upon scaled dimensions. No allowance will be made for non-compliance with this advice.

Any discrepancies are to be reported immediately to the Contract Administrator.

Variations and modifications to the work shown on these drawings are not to be carried out without the express consent of the Contract Administrator.

This drawing is the property of The National Trust and must not be copied or reproduced, in whole or in part, except with their express permission nor may the design or any information thereon be disclosed to any third party.
